# WHAT ONE LITTLE BOY SAVED IN THE CHRISTMAS CLUB

No matter where the town is, no matter what is the name of the boy; but let's call the town "Economy" and let's name the little boy "Hustler."

Hustler like a great many little boys had a good job. In these prosperous times, he earned \$10 a week. Hustler saw an advertisement in a newspaper stating that for 25 cents, 50 cents, \$1.00 or \$2.00 a week, he could join a Christmas Club and save either \$12.50, \$25.00 or \$100.00.

There were lots of things that Hustler wanted to buy so he joined the \$1.00 a week club. Instead of putting in just \$1.00 his first week, however, he banked \$4.00 and paid four weeks in advance. He felt so happy over being a member of the \$1.00 a week club that when he received his pay next week, he joined also a \$2.00 a week club.

In order to be sure he would hold his job, he worked harder; his work was observed by his boss and much to Hustler's amazement, his pay was raised to \$15.00 a week—and then what did Hustler do? He joined a \$5.00 a week club.

Hustler began saving his money in December of last year and up to the present time he now has deposited in the various Christmas Clubs over \$600.00.

The banker of the little town of Economy asked Hustler the other day, "well what are you going to do with all this money, Hustler?" "I've got it now," replied the energetic little boy, "and now I'm going to let it stay in your bank and let you keep this money for me and some day maybe I can have a little business of my own."

Not every little Hustler in our midst, but every other boy or girl, man or woman can join the Christmas Club now open at the Arizona Trust and Savings Bank. Either 1 cent, 2 cents, 5 cents, 10 cents, will start you in the increasing club. When you join this club, you increase the payments 1 cent, 2 cents, 5 cents or 10 cents each week for 50 weeks and have at the end of that time for your Christmas needs, or to start a regular banking account, \$12.50, \$25.00, \$37.50 or \$127.50.

The bank also offers an even amount plan. You start a 25 cent, 50 cents, \$1.00, \$2.00, \$5.00, \$10.00, \$20.00 or more club, and put this same amount in the club each week for fifty weeks. By doing so, the club member will have available by next December either \$12.50, \$25.00, \$50.00, \$100.00, \$250.00, \$500.00, \$1000.00 or more, in accordance with the amount he deposits each week.

The Christmas Club is now open to every man, woman or child in our midst. All they have to do to join the club is to go into the bank with the amount of money they want to start with. They will receive a little Christmas Club book free of charge. The operation plan is very simple. It costs nothing to join, there are no dues to pay and next Christmas anyone who keeps up the payments will have a nice sum to his credit, either for his Christmas use or to open a regular bank account.

This Christmas Club is small enough for baby and large enough for big business men.

# Bad Cold and Cough Cured by Chamberlain's Cough Remedy

Several years ago, C. D. Glass, Gardiner, Me., contracted a severe cold and cough. He tried various medicines but instead of getting well he kept adding to it by contracting fresh colds. Nothing he had taken for it was of any permanent benefit until a druggist advised him to try Chamberlain's Cough Remedy. He says "I was completely cured by this remedy and have since always turned to it when I had a cold and soon find relief." 45-41

# EDDIE JOHNSON TO MEET RUFUS WILLIAMS

Local Manager Promotes Match for January 17th at Safford, at Brier's Hall

Eddie Johnson, a Local Fighter, Who Will Meet Rufus Williams, of San Francisco, California

Manager Phil Moore, local promoter of Safford, and who is piloting Eddie Johnson and Happy Woods, local fight celebrities, has arranged with Rufus Williams, the dusky wildeat of Frisco, for a match with Eddie Johnson, of Pueblo, and local favorite, to be staged in Safford on January 17th.

This news comes with unusual interest to local fight fans, in view of the past records sustained by both fighters.

Eddie Johnson is a pioneer in the roped arena, and in his some 250 battles, has arranged to meet most of the best that the sport world affords, and has fought himself from a place of almost total obscurity to a prominent spot in the limelight of pugilism, to such an extent that he is now receiving some very flattering offers from Eastern promoters, who are attempting to entice the local boy Eastward in an endeavor to match him with a few choice Gotham sluggers.

As a fighter, Eddie has a promising future and followers of the game are watching his progress with decided interest and expectation.

Rufus Williams, the dusky lad from Frisco, is also a veteran in the roped arena and needs no introduction to local fans. His fight with Happy Woods, recently at this place, which did not prove altogether favorable to the dusky boy, nevertheless in the first few rounds gave a fair demonstration of what might be expected of him, and incidentally gave evidence of his old form of past performances.

Advance information from the dusky chap's training quarters at Columbus, has it that Williams is doing some strenuous training for the affair and voices his intention of giving the Safford lad a glorious run for his money, as well as redeem himself for his last bout here; while Eddie, from

with ease. In the meanwhile, fight fans who are familiar with the ability of both fighters are looking forward to the event, eagerly, the result of which will for all time to come seal the fate of the local middleweight title.
